

NEW SNOW EMERGENCY POLICY

When a winter storm is predicted, the Mayor or his designated representative may declare a snow emergency. This shall be published any time within 8 hours prior to the predicted start of the winter weather. At this time the Mayor or his representative would notify the local News Stations, Police Dept., Fire Dept., Emergency Management, Road Crew Supervisor and the Borough office. It would then be posted on the Borough website. **Some snow removal suggestions** are when removing snow from the sidewalk or street, do not pile the snow close to the intersection or in the handicapped ramps. Please do not park cars close to the intersections and if possible tuck mirrors in on wider vehicles. The road crew tries to plow curb to curb but this cannot always be done due to parked vehicles or the amount of snow. Snow emergency routes are as follows-
